Ohio Orthopedic Center of Excellence Financial Policy

All new patients are required to present a copy of their health insurance card. If you are unable to do so, you will be considered self pay and will be required to follow our self payment policy as explained below under “Self Pay Patients”.

Co-Payments: If your insurance policy requires a co-payment you are required to make that payment at the time of visit. **We accept cash, personal checks, and Visa, MasterCard, Discover, and American Express credit cards.** If you are not able to pay for your co-payment at the time of service, you will be asked to reschedule your appointment.

Worker’s Compensation Claims: If your injury is a work related injury we request that you notify the front desk when checking in. We also request that you have available your worker’s compensation claim number, the date of injury, and the name of the Managed Care Group that will be handling the claim. You will also be asked to present a copy of your health insurance card for your records. If your claim is denied, you or your health insurance will be billed.

Self Pay Patients: If you are not covered by a health insurance policy you will be required to follow our self payment policy. This policy requires that all new patients pay a deposit of \$135 at their first visit and \$90 at any subsequent visits at the time of check in. **This is only a deposit and any balance over the deposit will be billed to you.** Any surgeries or diagnostic testing (EMG, MRI, Bone Density) require that you contact our Billing Department to set up a payment schedule prior to the surgery. You can reach the Billing Department at 614-827-8700.

Auto Accidents and Liability Claims: If your visit is related to an auto accident or a liability injury you will be required to follow our Auto Accident/Liability Claim policy which requires the same deposit/payment plan for self pay patients. Please notify the front desk and they will give you a copy of the policy if you have not already received one. You will be required to make these deposits at time of check-in. You will also be required to present a copy of your health insurance card for our records. Be prepared to give information on the auto insurance company and/or lawyer you are dealing with, phone number, contact name, claims number and any other pertinent information related to your claim.

Forms Completion Fees: There is a fee for the physician to complete forms for you. The fee is \$5.00 for each page but will not exceed \$25.00 for each set of forms. It is important all areas of the form to be completed by you, is done at the time you submit for physician portion. This includes but is not limited to disability insurance forms and family leave of absence forms.

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE READ IT CAREFULLY.

This Notice is required by the Health Insurance Portability and Accountability Act of 1996 to inform you of your rights for privacy with respect to your health care information. This practice has an obligation to maintain all medical information in the strictest of confidence. Our practice cannot release information without your written consent, including medical records, conversations, reminder calls, test results and other confidential issues. Patient information about health care is identified as “PHI” or protected health information. This new policy requires that you, the patient, identify at the time of registration with us specific information about release of information. **You can change this information at any time with written notification or verbal notification, followed up in writing.** Changes can only impact the care or information from that point forward.

Uses and Disclosures

Treatment. Your health information may be used by staff members or disclosed to other health care professionals for the purpose of evaluating your health, diagnosing medical conditions, and providing treatment. For example, results of laboratory tests and procedures will be available in your medical record to all health professionals who may provide treatment or who may be consulted by staff members.

Payment. Your protected health information will be used, as needed, to obtain payment for your health care services. This may include certain activities that your health insurance plan may undertake before it approves or pays for health care services we recommend for you such as: making a determination of eligibility or coverage for insurance benefits, reviewing services provided to you for medical necessity, and undertaking utilization review activities. For example, obtaining approval for a hospital stay may require that your relevant protected health information be disclosed to the health plan to obtain approval for the hospital admission.

Health care operations. Your health information may be used as necessary to support the day-to-day activities and management of **Ohio Orthopedic Center of Excellence**. For example, information on the services you received may be used to support budgeting and financial reporting, and activities to evaluate and promote quality.

We will share your protected health information with third party “business associates” that perform various activities (transcription services) for the practice. Whenever an arrangement between our office and a business associate involves the use of disclosure of your protected health information, we will have a written contract that contains terms that will protect the privacy of your protected health information.

Other Permitted and Required Uses and Disclosures That May Be Made Without Your Consent, Authorization or Opportunity to object.

We may disclose your protected health information in the following situations without your consent or authorization. These situations include:

Required by Law. We may use or disclose your protected health information to the extent that the use or disclosure is required by law. The use or disclosure will be made in compliance with the law and will be limited to the relevant requirements of the law. You will be notified, as required by law, of any such uses or disclosures.

Law enforcement. Your health information may be disclosed to law enforcement agencies, without your permission, to support government audits and inspections, to facilitate law-enforcement investigations, and to comply with government mandated reporting.

Public health reporting. Your health information may be disclosed to public health agencies as required by law. For example, we are required to report certain communicable diseases to the state's public health department.

Health Oversight. We may disclose protected health information to health oversight agency for activities authorized by law, such as audits, investigations, and inspections. Oversight agencies seeking this information include government agencies that oversee the health care system.

Abuse or Neglect. We may disclose your protected health information to a public authority that is authorized by law to receive reports of child abuse or neglect. In addition, we may disclose your protected health information if we believe that you have been a victim of abuse, neglect or domestic violence to the governmental entity or agency authorized to receive such information. In this case, the disclosure will be made consistent with the requirements of applicable federal and state laws.

Coroners, Funeral Directors, and Organ Donation. We may disclose protected health information to a coroner or medical examiner for identification purposes, determining cause of death or for coroner or medical examiner to perform other duties authorized by law. We may also disclose protected health information to a funeral director, as authorized by law, in order to permit the funeral director to carry out their duties. We may disclose such information in reasonable anticipation of death. Protected health information may be used and disclosed for cadaveric organ, eye or tissue donation purposes.

Worker's Compensation. Your protected health information may be disclosed by us as authorized to comply with worker's compensation laws and other similar legally-established programs.

Inmates. We may disclose your protected health information if you are an inmate of a correctional facility and your physician created or received your protected health information in the course of providing care to you.

Other uses and disclosures require your authorization. Disclosure of your health information or its use for any purpose other than those listed above require your specific written authorization. If you change your mind after authorizing a use or disclosure of your information you may submit a written revocation of the authorization. However, your decision to revoke the authorization will not affect or undo any use or disclosure of information that occurred before you notified us of your decision.

Additional Uses of Information

Appointment reminders. Your health information will be used by our staff to call/send you appointment reminders.

Who may we leave this information with over the phone?

Can we leave a message on voicemail or answering machine?

Can we email you with this information?

Information about treatments. Your information may be used to send you information on the treatment and management of your medical condition that you may find to be of interest. We may also send you information describing other health-related goods and services that we believe may interest you.

Individual Rights

You have certain rights under the federal privacy standards. These include:

- The right to request restrictions on the use and disclose of your protected health information
- The right to receive confidential communications concerning your medical condition and treatment
- The right to inspect and copy your protected health information
- The right to amend or submit corrections to your protected health information
- The right to receive an accounting of how and to whom your protected health information has been disclosed
- The right to receive a printed copy of this notice

Ohio Orthopedic Center of Excellence Duties

We are required by law to maintain the privacy of your protected health information and to provide you with this notice of privacy practices.

We also are required to abide by the privacy policies and practices that are outlined in this notice.

Right to Revise Privacy Practices

As permitted by law, we reserve the right to amend or modify our privacy policies and practices. These changes in our policies and practices may be required by changes in federal and state laws and regulations. Whatever the reason for these revisions, we will provide you with a revised notice on your next visit. The revised policies and practices will be applied to all protected health information that we maintain.

Information Requests to inspect protected Health Information

As permitted by federal regulation, we require that requests to inspect or copy protected health information be submitted in writing. You may obtain a form to request access to your records by contacting our medical records department.

Complaints

If you would like to submit a comment or complaint about our privacy practices, you can do so by sending a letter outlining your concerns to:

Privacy Consent- For the Use and Disclosure of Protected Health Information

This consent is required by the Health Insurance Portability and Accountability Act of 1996 (HIPAA) to inform you of your rights for privacy with respect to your health care information.

I hereby give my consent to OHIO ORTHOPEDIC CENTER OF EXCELLENCE to use and disclose my protected health information for the purposes of treatment, payment and operations of my healthcare and this practice.

Consent for treatment: I, with my signature, authorize Ohio Orthopedic Center of Excellence and any employee working under the direction of the physician, for the purpose of evaluating my health, diagnosing medical condition, and providing treatment.

Consent for payment and operations: I also authorize this practice to furnish my health information as needed to obtain payment for my health care services. This may include certain activities that my insurance plan may undertake before it approves or pays for health care services we recommend, such as: making determination of eligibility or coverage for insurance benefits, reviewing services provided to me for medical necessity, and undertaking utilization review activities. I further consent to the use for any practice operational needs as identified in the practice privacy notice. This release may include information about drug use/abuse, alcohol use/abuse, mental health issues or concerns, AIDS or HIV status as pertinent to my medical care.

Consent related to the Privacy Notice: I have had a chance to review the Practice Privacy Notice as part of this registration process. I understand the terms of the Privacy Notice may change and I may obtain these revised notices by contacting the practice Privacy Officer by phone or writing. I understand I have the right to request how my protected health information (PHI) has been disclosed. I also have the right to restrict how this information is disclosed, but this practice is not required to agree to my restrictions. If it does agree to my restrictions on PHI use, it is bound by that agreement.
